

ARRIVALS INTO THE UK INCLUDING USA & EU COUNTRIES

STEPS TO FOLLOW FOR TRAVEL TO AND FROM ENGLAND

IF YOU ARE FULLY VACCINATED

This is what you need to do if you qualify under the fully vaccinated rules for travel to England.

- Complete a passenger locator form – to be completed in the 48 hours before you arrive in England via this link <https://www.gov.uk/provide-journey-contact-details-before-travel-uk>
- Book and pay for a COVID-19 lateral flow test before you arrive in England. The test must be taken within the first 2 days of arrival and bought from a private test provider - free NHS tests are not allowed.

TEST RESULTS

If your test result is POSITIVE, you must self-isolate for 10 full days. This period can be reduced to just 7 days providing you return two negative lateral flow tests, 24 hours apart on day six and day seven, and do not have a high temperature.

WHEN YOU LEAVE THE UK

Check with your airline or home country's Government website for arrival home requirements.

This hotel recommends these external providers, for further information please contact us.

SAME DAY RETURN ANTIGEN LATERAL FLOW TESTS

www.privatecoronavirustests.com

Pre-order your test to be delivered to the hotel and take the test in the comfort of the hotel. Upload your results online and get a confirmation within 60 minutes.

From £19.00

www.covidhometest.co

Courier will deliver to the hotel at a time of your choice, on the day and wait for you to take the test and then take it for testing. The results will be provided in 3 hours.

Cost £109.00

IF YOU ARE NOT FULLY VACCINATED

This is what you need to do if you do not qualify under the fully vaccinated rules for travel to England.

BEFORE YOU TRAVEL TO ENGLAND – NOT FULLY VACCINATED

- take a COVID-19 test – to be taken in the 2 days before you travel to England.
- book and pay for day 2 and day 8 COVID-19 PCR tests – to be taken after arrival in England.
- complete a passenger locator form – to be completed in the 48 hours before you arrive in England via this link <https://www.gov.uk/provide-journey-contact-details-before-travel-uk>

WHEN YOU ARRIVE IN ENGLAND – NOT FULLY VACCINATED

After you arrive in England you must:

- quarantine at home or in the place you are staying for 10 full days.
- take your COVID-19 PCR tests – you must book these tests before you travel.
- You must take the first test on or before day 2 and the second test on or after day 8. The day you arrive is day 0.
- If you are in England for less than 10 days, you need to quarantine for the time you are here. You need to book day 2 and day 8 PCR tests. You only need to take the tests if you are still in England on those days.

TEST RESULTS

If the test result is POSITIVE

- If your day 2 test is positive, you must self-isolate for 10 full days. The day you took the test is day 0.
- You do not need to take the day 8 test if your day 2 test is positive. If your day 2 test is negative, you must take your day 8 test.
- If your day 8 test is positive, you must self-isolate for 10 full days. The day you took the day 8 test is day 0.

If the test result is NEGATIVE

- If your day 2 test is negative, you must continue to quarantine.
- You must take your day 8 test on or after day 8.
- If your day 8 test is negative, you can stop quarantine on whichever is later.

WHEN YOU LEAVE UK

When you leave the UK you will need to book your “Fit to Fly” COVID PCR test in accordance with your home country and airline’s policy. Check with your airline or home country’s Government website for arrival home requirements.

This hotel offers a COVID-19 PCR test with an external provider onsite at the hotel, for further information please contact us.
